

TYLER WILCOX MEMORIAL SCHOLARSHIP

"To lead by Tyler's example, using a positive attitude and treating people with respect and kindness to impact the world we live in"

PRESENTED BY THE FLYING FIVE FOUNDATION:

The Flying Five Foundation will award scholarships to one male and one female in our community that exemplify the athletic, academic, and leadership qualities that Tyler exhibited. When we accomplish these goals, we strengthen and inspire our community by displaying the values Tyler lived by.

About Tyler

Tyler was an amazing person inspiring those around him to treat everyone with respect and dignity. He was a leader. He enjoyed life and saw the best in everyone. Tyler's selflessness was exhibited through his compassion for others. Tyler wanted to make everyone's life a little better, and he did so with each contagious smile.

In Tyler's own words:

"...My battle with cancer has taught me many things: to keep a positive attitude or be miserable; to never take anything for granted because you never know when it will be the last time you are able to do it; to make the most of even the worst situation. These are life lessons I have learned through experience. So not only do I have a strong opinion of what *carpe diem* means, I live it." Tyler 2005
