

Stanley County Booster Club Supports Everyone!

The Stanley County Booster Club supports all areas of the school district including the fine arts, sports, and academics, as well as many other activities. The club raises money through fundraising activities at sporting events, whopper feed, by hosting the annual soup cook-off, calendar sales, and various other fundraisers. Volunteers are always needed!

The SCBC is a group of involved parents and citizens giving support to the students of Stanley County and we support all facets of the school district.

The club meets the first Monday of each month during the school year.

Anyone wishing to join the club is invited to the next meeting. For more information, contact SCbooster.club@k12.sd.us or visit our Facebook page, Stanley County Booster Club.

There are no membership fees just come to our next meeting and get involved!
