

Welcome to

Stanley County *myCampus* Parent Portal

STANLEY COUNTY SCHOOL DISTRICT # 57-1

Box 370

Fort Pierre, SD 57532

(605) 223-7741

Dear Stanley County School District Parents:

Parent involvement is very important to education. We are inviting you, as parents, to join the Stanley County School District ***myCampus*** Parent Portal program to further promote educational excellence and to enhance communications between school and home. By joining this program, you will have timely, secure, and low cost access to school information about your child(ren) who attend(s) Stanley County School District. Specifically, you will have online access to your Middle/High School child(ren)'s attendance records, assignments and grades. Attendance data is available for Elementary students.

Students' school records are confidential. Authorized school personnel, parents (whether custodial or not), legal guardians, students who have reached age 18, state and local education officials, and persons with court orders may inspect student records.

By implementing this new ***myCampus*** Parent Portal program, we hope to provide you with access to timely information while reducing the time, labor, paper, and mailing costs associated with other means of communication. We expect this initiative will be a win-win opportunity for parents and the Stanley County School District, and we hope you will enroll in the program to get faster access to information about your student(s) while helping us reduce our costs!

Please review the information provided about ***myCampus***, including the User Guidelines and Acceptable Use Policy, and complete and return the Registration/Agreement form. Your use name and password must each be a minimum of six alphanumeric characters. If you would like to choose your own, also write them at the bottom of the Acceptable Use Policy and keep this for future reference. We will enroll you in the program e-mail you when your account has been created. It's as simple as that!

Sincerely

Brian Menning

Technology Coordinator
